The English-speaking population of Laval is the fastest growing population in Quebec, with a growth of 35% between 1998 and 2006. Knowledge and understanding is lacking of the needs and services available to the English-speaking population of Laval.

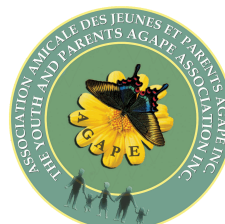

The NPI-Laval AGAPE has been mandated by the INSPQ-Institute National Santé Publique du Québec (MSSS) to organize focus group forums on themes of major importance for the English-Speaking community of Laval.
